SCOTTSDALE | 2014

www.MainStreetArtGalleries.com

Whether you're a serious art collector or simply a casual browser, you won't want to miss The Galleries on Main Street in Old Town Scottsdale.

And with the work of more than 1,000 artists on display at 50 plus galleries, there's plenty to see – all conveniently located in a two-block area of downtown.

The internationally recognized Main Street has been home to some of America's premier galleries since 1965. Art collectors worldwide have made the area a source for original pieces of a myriad of genres. It's a place where emerging artists are discovered and established and renowned artists are regularly showcased.

Whatever you are looking for, you will probably find it here, whether it's modern, abstract, Western, or impressionism; art from Russia, South America, Asia, Europe, or the U.S.; or sculpture, jewelry, or paintings. Art lovers of all kinds have always found an abundant selection of exquisite originals at The Galleries on Main Street.

Thursday Night Art Walk

For more than 30 years, there's been an easy and fun way to take in all this art. Old Town Scottsdale's Main Street hosts one of the Southwest's great cultural events, "America's Original Artwalk." This grand open house for the galleries takes place Thursdays from 7pm-9pm. More than just an aficionado's perfect evening, the Art Walk is also a cherished community tradition that brings together residents and visitors. Wander into galleries at your own leisurely pace; stroll around a delightful street lined with famed restaurants, live-music venues, and more; and enjoy the horse drawn carriage rides and trolley rides that are often available.

It's "art-appreciation" taken to a whole new level.

Established in 1974, Joan Cawley Gallery features the "Best Of The West" in Contemporary Southwest Art with the belief that the West is not just a locale, but a way of life. This doctrine is reinforced by the vibrancy, energy and love of the land depicted in the gallery's body of work. Indicative of the region, the gallery is filled with an intoxicating combination of light, cactus blooms, desert wildlife, western nostalgia and Native American tradition. You will find a wide variety of media from gourds, feathers, wood and leather to clay, bronze, metal and textiles for the savvy collector.
